The Wichita Police Department (WPD) has arrested 30-year-old Wade A. Dunn of Wichita on charges of attempted 1st Degree murder, criminal possession of a weapon, as well as a federal warrant through the U.S. Marshals Service.

The arrest is in connection to Monday's violent attack that seriously injured a 28-year-old female.

At approximately 11:50 a.m. on Monday, officers responded to a stabbing call at a home in the 7400 block of E. 17th St. Upon arrival, officers located the victim with multiple stab wounds in the front yard of a residence. She was transported to a local hospital with serious injuries and remains hospitalized, but her condition is improving.

Throughout the investigation, WPD detectives received tips from citizens as well as anonymous tips through Crime Stoppers that provided information which led to Dunn's arrest.

Dunn was arrested without incident shortly after midnight today at a residence in the 1000 block of South Main.

This investigation is ongoing and the case will be presented to the Sedgwick County District Attorney's Office.
